

Fractions Basics

Hello students!

Today we will learn fractions.

Fractions show equal parts of a whole.

First Example

Cut a pizza into 2 equal parts.

One part is one-half.

$\frac{1}{2}$

Second Example

Cut a cake into 4 equal parts.

One piece is one-fourth.

$\frac{1}{4}$

We use fractions when sharing food with friends and family.

Practice Question

If a pizza is cut into 4 equal parts, what is one piece called?

Answer: One-fourth.

Today we learned:

- Fractions
- One-half
- One-fourth
